

PRODUCT INFORMATION

PRO CARE MULTIPURPOSE LITHIUM GREASE

Description

Multipurpose Lithium Grease is a high-performance long-life lubricating grease on a mineral oil basis and extremely wide range of uses.

Benefits

- Reliable lubrication even under great load
- Reduces friction and wear
- Adhesion and centrifugal force-resistant
- Age and shear-resistant
- Able to absorb pressure and resistant to load
- Waterproof
- Reduces running/operation noise
- Temperature range -30 °C to +120 °C

Application

- Lubricates friction, roller and ball bearings, guides and joints
- Has universal uses
