

PRODUCT INFORMATION

PRO CARE MULTIFUNCTIONAL OIL PRO

Description

Multifunctional Oil Pro is a physiologically safe synthetic oil with multifunctional additive combination. Suitable for use in the food industry and for all applications in which the use of products of physiologically harmful, mineral oil-based, critical additives and/or critical solvents is not desired.

Benefits

- Displaces water
- NSF H1 sub-registration possible
- Loosens, lubricates, maintains and protects
- Penetrates rust and corrosion to provide effective rust removal
- Produces a thin, viscous protective film that protects against moisture
- Protects against corrosion
- Infiltrating of dirt, grease and oil residue

Application

- Bolts, screws, nuts, pipe fittings, joints, locks etc
- Closures, hinges, bushes, chains
- Plastic parts and metal parts
- Electrical contacts

Instructions

From a distance of approx. 20 cm spray an even coat. Leave to take effect briefly. With stubborn connections, repeat application and extend penetration time where necessary.

Notice

! If the product is to be used in the food processing industry, only the minimum quantity that is technically necessary may be used.

! If the product is to be used as an anti-corrosive film, it must be completely removed before the device in question is used again.
