

PRODUCT INFORMATION

PRO CARE ENGINE FLUSH

Description

PRO CARE ENGINE FLUSH Concentrated cleaning additives which dissolves impurities, deposits and black sludge in the engine. After treatment, the engine runs with less friction therefore the performance is visibly improved. Cleans the engine compartment and reduces exhaust emissions and oil consumption.

Benefits

- ✓ Extends engine life.
- ✓ The engine oil runs cooler.
- ✓ The oil lasts longer.
- ✓ Helps engine to develop again a better performance.
- ✓ Reduces exhaust emissions.
- ✓ Eliminates black sludge.
- ✓ Engine runs with less wear.
- ✓ Reduces fuel consumption.

Application

Add the content to motor oil just before the oil change. Run the engine for about 15 minutes at low rpm. Drain the oil, change the oil filter and add fresh motor oil. Mixable with all standard petrol and diesel motor oils. 250 ml is sufficient for 10 Liters of motor oil.

VOLUME

250 ml 500 ml 20 ltr 208 ltr
