

PRODUCT INFORMATION

PROCARE 2 IN 1 FUEL SYSTEM CLEANER + OCTANE BOOSTER

Description

2 In 1 Fuel System Cleaner + Octane Booster is specially developed to increase engine performance and improve combustion with better acceleration. It protects fuel system against high water content in the fuel and enable a smoother engine running by increasing octan points up to 8 points.

Benefits

- Reduces fuel consumption by cleaning the complete fuel system
- Optimizes fuel injection system and ensures better performance
- Extends the life of catalytic converters and exhaust system
- Improves acceleration
- Increases octan number by 8 points (depends on fuel quality)

Instructions

Add the contents of the canister to the fuel tank. 250ml canister is sufficient for up to 60lit of petrol.

VOLUME

250 ml

PACKAGING

24 Pcs.
1 Box
