

PRODUCT INFORMATION

PRO CARE BIOCIDES BACTERIA X

Description

Biocide Bacteria X is a highly efficacious biocide improving the operating reliability of all diesel fuel systems and prevents bacterial growth in diesel fuel.

Benefits

- Microorganisms are reliably killed
- Wide range of uses against bacteria, yeasts and mould
- Reliably prevents new microorganism growth
- Neutralises acids generated by microbacterial growth and decontaminates fuel systems already so affected

Application

- For utility vehicles diesel engines and marine diesels
- For standing machinery
- For domestic tanks where long storage periods are concerned
- Use as a preventive measure where biodiesel is concerned

Instructions

Empty the contents of the can into the fuel tank.
Completely fill the fuel tank for engines that have been stored for a long period of time.
Ideal dosage: 1 can to 40 litres of fuel.

VOLUME

250 ml

PACKAGING

24 Pcs.
