

## PRODUCT INFORMATION

### PRO CARE OCTANE BOOSTER

#### Description

**Octane Booster** raises the octane number of the fuel up to fifteen points depending the quality of the fuel. Particularly recommended for fuel of lower quality. Prevents “engine knocking” and mechanical damage. Works against overheating of the engine.

#### Application

- Suitable for all petrol powered engines.

Add the product to the diesel system with every filling up. It is safe for use with catalytic converters.

#### Benefits

- Is a combustion improver for gasoline specially recommended for treatment of unleaded gasoline.
- Offers numerous advantages proven in the laboratory and confirmed by numerous road tests.
- Increases both research and motor octane numbers.
- Reduces the quantity of pollutant emissions (carbon monoxide, unburnt hydrocarbons and nitrogen oxides).
- Brings power through improved combustion with excellent acceleration and performance gains.
- Maintains the cleanliness of the combustion chamber and avoids knocking phenomena
- Reduce engine pinging.

#### VOLUME

250 ml    500 ml    20 ltr    208 ltr

#### PACKAGING

24 Pcs.    12 Pcs.    1Pc    1Pc  
1 Box    1 Box    Drum    Drum
