

PRODUCT INFORMATION

PRO CARE LEATHER CLEANER

Description

Leather Cleaner is a nourishing colourless spray with lanolin for treating scuffed leather.

Benefits

- Nourishes scuffed leather and keeps it supple for longer
- Prevents wear and helps the leather last longer
- Leaves no visible residues
- Refreshes the colour of the leather and restores shine

Application

- Suitable for all common types of smooth leather, such as leather sofas, armchairs, settees, chairs and bags
- Not suitable for suede or Alcantara

Instructions

Shake can well before use. Clean the leather before treatment. Spray over the areas you want to treat, then use a lint-free cloth, paper towel or microfibre cloth to spread evenly and work in.

VOLUME

500 ml
